Information on the BERNINA Accessories Catalog

Main Categories

In the machine overview, the BERNINA quilting machines are listed and divided into the main categories A, B, C and D. These categories indicate which of the accessories are compatible with which machine models, frame or sit down combinations. Your BERNINA dealer will be happy to help you choose your accessories.

Example

1. Find your Q Series model in the overview and note the category.
2. Find the required accessory in the Table of Contents and check compatibility based on category.

Equipment and Scope of Delivery

In this accessories catalog, exemplary images are used for illustration purposes. The products shown in the pictures do not necessarily correspond to the actual scope of delivery. The product may be subject to change depending on the country of delivery.

For technical reasons and in order to improve the product, changes may be made to the equipment of the machine and the scope of delivery at any time and without prior notice.

You will find the latest version of the accessory catalog in other languages at: www.bernina.com/longarm-accessories

FOR THE LONGARM QUILTING MACHINE

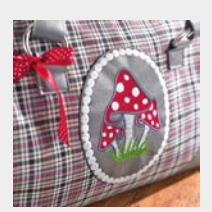

For the Longarm Quilting machine

Embroidery Foot #15

This foot is recommended for appliqué and free-motion quilting. The slight upward tilt in the sole of the foot makes it easier to quilt over uneven areas, like thick seams, appliqués or dense quilting.

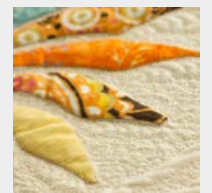

bernina.com/foot-15

15 032 708 71 00 A B C D

Free Motion Embroidery Foot #24

The open sole offers a free, unobstructed view of the quilting area. Precise and creative free-motion projects such as micro work, embellishments and thread painting can be accomplished with ease. For perfect results use this foot with the Palm Precision Handles.

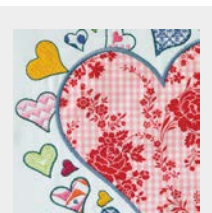

bernina.com/foot-24

24 008 467 74 00 A B C D

Drop-shaped Embroidery Foot #26

This foot with the drop-shaped opening is recommended for dense quilting such as thread painting. The drop shaped opening and the design of the foot sole reduce the risk of damaging the upper thread, even if the same area is quilted over several times.

bernina.com/foot-26

26 031 597 71 00* A B C D

* While stock lasts

For the Longarm Quilting machine

Quilting Foot #29

This quilting foot is perfect for free-motion quilting. The clear sole ensures an unobstructed view of the entire quilting area, which is important for positioning stitches precisely. The foot is especially suited for free-motion quilting such as filler designs, embellishments or micro work.

bernina.com/foot-29

29 008 469 73 00 A B C D

Free-motion Couching Foot #43

The free-motion couching foot is specially designed for appliquéing with cords, yarn and ribbon up to 2 mm in diameter. The cords are fed directly to the needle through a hole in the sole, and they can be sewn on to the quilt in any line or shape.

bernina.com/foot-43

43 031 779 73 00 A B C D

Echo Quilting and CutWork Foot #44C

This foot is the ideal companion for numerous of creative quilting projects such as echo and shadow quilting, free-motion quilting, thread painting, and automated quilting with Q-Matic. The rounded transparent sole moves easily over raised areas of fabric. The crosshair and concentric circular markings help position the stitches precisely.

bernina.com/foot-44

44C 033 369 72 00 A B C D

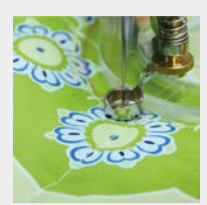

For the Longarm Quilting machine

Adjustable Ruler Foot #72

72 101 786 70 00 A B C D

This foot allows to sew along rulers to create decorative quilt designs such as lines, feathers, circles, etc. Suitable rulers must be at least ¼" thick. The special shape of the foot allows to place the rulers all around the foot, which is especially convenient when quilting a circle. The height of the foot is adjustable and can be adapted.

bernina.com/foot-72

Adjustable Ruler Foot with Slit #72S

72S 105 803 70 00 A B C D

The Adjustable Ruler Foot with Slit is ideal when quilting with rulers and freehand quilting is combined. The slit in the foot allows to change to an open foot like the Adjustable Stippling Foot without having to secure and cut the thread.

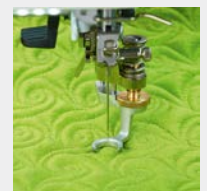

bernina.com/foot-72

Adjustable Stippling Foot #73

73 104 211 70 00 A B C D

The Adjustable Stippling Foot #73 simplifies free-motion sewing and quilting when it comes to small details and patterns. This wide-open foot gives a perfect sightline to the needle insertion point on the fabric. Adjust the height depending on the thickness of your quilt sandwich for perfect stitches. Plus, the matte grey coating dulls any glare, offering a perfect view for quilting success.

bernina.com/foot-73

For the Longarm Quilting machine

Adjustable Gliding Cup Foot #74

Free-motion and echo quilting of thicker materials is easier than ever with the Adjustable Gliding Cup Foot #74. The foot is also suitable for thread painting and for appliqués. The high cup of the foot allows to perfectly glide over applications, thick or uneven seams and embellishments. Furthermore, thanks to the transparent cup, you will have a very good view of the needle and the fabric.

bernina.com/foot-74

74 104 213 70 00 A B C D

Ruler Foot #96

Ruler Foot #96 is used primarily in conjunction with the 6 mm (1/4") quilt rulers made of plexiglass. The high sole prevents the foot from hitting the ruler and the special shape makes it possible to place rulers all around the foot.

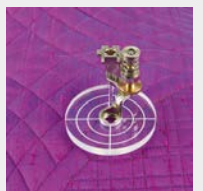

bernina.com/foot-96

96 034 316 70 00 A B C D

Echo-Quilting Clips

The Echo-Quilting Clips are specially designed for quilting with the Adjustable Ruler Foot #72 and the Ruler Foot #96. They allow to easily and accurately create fantastic patterns, such as crosshatching or parallel lines. In addition, they can also be used in free-motion quilting when quilting around a design with a defined distance.

bernina.com/Echo-quilting-Clips

102 959 71 00 A B C D

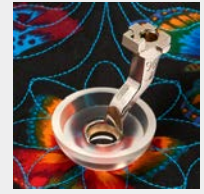

For the Longarm Quilting machine

Cup Clip

103 850 70 00 A B C D

The Cup Clip is an ideal addition to Ruler Foot #96 when it comes to pantograph quilting (free-motion or automated), Q-matic or quilts with appliqués. The particular cup shape of the clip will glide easily over uneven, thick or basted parts of the quilt top without getting caught or entangled. Open seams will no longer be a problem and gliding over or along appliqué or embroidery will be trouble free.

bernina.com/cup-clip

Couching Inserts

102 960 71 00 A B C D

The Couching Inserts allow to creatively sew yarns, wool, cords or felt threads on to your project. The inserts are to be used with the Adjustable Ruler Foot #72 and are attached to the bottom of the sole of the foot. Thanks to the high-quality material, they are robust and also protect the surface very well when quilting with metallic cords and yarn.

Set Contents

1x couching insert, Ø 1.4 mm

1x couching insert, Ø 1.8 mm

1x couching insert, Ø 2.2 mm

bernina.com/couching-inserts

Universal Pro Needles

036 152 70 00	A	B	C	D	90/14
036 152 70 01	A	B	C	D	110/18
036 152 70 02	A	B	C	D	100/16

The BERNINA needle assortment includes high quality needles for different materials and applications in different designs and strengths. The Universal Pro needles are particularly suitable for the high speeds used in longarm quilting.

bernina.com/universal-pro-needle

For the Longarm Quilting machine

Universal Twin Needle

For decorative quilting with the BERNINA longarm. The twin needle is to be used with the BERNINA Q Series Stitch Plate for Twin Needle and the Ruler Foot #96.

bernina.com/twinneedle

002 528 71 05	A	B	C	D	80/4,0
002 528 71 06	A	B	C	D	90/3,0
002 528 71 07	A	B	C	D	90/4,0
002 528 71 11	A	B	C	D	100/4,0

Stitch Plate for Twin Needle

The BERNINA Q series Stitch Plate for Twin Needle is suitable for working with twin needles of 3 and 4 mm. It is easy to insert and has openings for the BSR sensors. These ensure even results in your double-thread, decorative stitches.

bernina.com/twin-needle-stitchplate

035 904 70 00	A	B	C	D
----------------------	---	---	---	---

Bobbin Case M-Class

Bobbin M-class for longarm quilting machines. Suitable for M-class bobbins.

bernina.com/bobbin-case-m-class

034 320 71 08	A	B	C	D
----------------------	---	---	---	---

For the Longarm Quilting machine

Bobbin M-Class

The BERNINA bobbins of the M-class have been specially developed for the Q Series and ensure smooth running of the bottom thread.

bernina.com/bobbin-m-class

033 210 71 02 A B C D 5 pcs.

Horizontal Spool Holder

The Horizontal Spool Holder allows to use smaller, parallel wound spools without any problem.

bernina.com/horizontal-spool-holder

035 901 70 00 A B C D

Vertical Spool Holder

The Vertical Spool Holder gives you extra space for your favorite threads. The Vertical Spool Holder can accommodate two additional spools or cones.

bernina.com/vertical-spool-holder

035 902 70 00 A B C D

USB Stick

The USB stick is a handy portable storage medium for storing data, designs and update files.

bernina.com/bernina-usb-stick

104 081 70 00 A B C D

For the Longarm Quilting machine

Needle Point Laser

The Needle Point Laser indicates the exact spot on the quilt where the needle will pierce.

bernina.com/needle-point-laser

102 867 70 00 A B C D

Silicone fluid

The use of the thread-lubrication unit is particularly recommended when working with metallic and loosely twisted threads. The silicone oil greatly improves the friction properties of these threads and effectively protects delicate threads from damage and breaking.

bernina.com/silicone-fluid

031 963 50 00 A B C D

Sewing Machine Oil

Regular care ensures that your longarm quilting machine runs smoothly. This also includes lubricating with sewing machine oil.

bernina.com/sewing-machine-oil

The Ruler Kit can be used in combination with Ruler Foot #96 or the Adjustable Ruler Feet #72 and #72S to create decorative designs. The height of the individual rulers is selected so that they are convenient to handle and can easily be moved along the presser foot together with the quilting project.

bernina.com/rulersets

For the frame

Casters

Equip your BERNINA PRO Frame or Studio Frame with casters for quick and easy repositioning. Each caster can be locked individually to hold the quilting frame securely in place.

bernina.com/frame-casters

035 997 71 00	A4	B4	C1-4	D1-3	6 pcs.
----------------------	----	----	------	------	--------

Mechanical Channel Locks

The Mechanical Channel Locks make it easier to quilt perfectly straight lines and are also great to place and align the quilt top perfectly straight. They block the movement of the carriage and thus the machine in either horizontal or vertical direction.

bernina.com/mechanical-channel-locks

035 998 70 00	B4	C1-4	D1-3
----------------------	----	------	------

Batting Roll Holder

The Batting Roll Holder is a very useful accessory for your BERNINA PRO Frame. Batting rolls can be stored under the frame to save space. The batting can then be conveniently placed on to the quilt sandwich without having to cut to size.

bernina.com/batting-rail

035 994 70 00	C2	D2
035 994 70 01	C3	D3

For the frame

Batting Rail

105 545 70 00 A4 B4 C4

The Batting Rail for the Studio Frame can be used to store batting on a roll, as well as for individual batting off-cuts during quilting. With the space-saving storage of the batting roll under the frame, the batting can be conveniently placed without first being cut.

bernina.com/batting-roll-holder

Hydraulic Lift

035 996 70 00	C2,3	D2,3	90–110 V (USA, CANADA, JAPAN)
035 996 70 01	C2,3	D2,3	240 V (EU, UK, AUS, NZ, ZA, CH)

The Hydraulic Lift for the BERNINA PRO Frame allows easy adjustment of the working height at the touch of a button. So the height can be individually adapted to different people's heights or working techniques.

bernina.com/hydraulic-lift

Additional Shelving

035 995 70 00	C2	D2
035 995 70 01	C3	D3

The Additional Shelving provides extra storage space for your quilting accessories, such as fabrics, threads, etc.

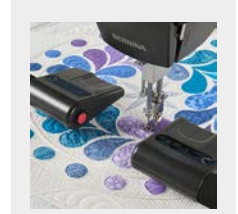

bernina.com/additional-shelving

For the frame

Palm Precision Handles

The Palm Precision Handles allow convenient, controlled guidance of the machine with very small movements. Perfect for quilting small designs, background fillers or embellishments. The ergonomic shape of the hand controls allows relaxed quilting for a long time.

bernina.com/palm-precision-handles

102 020 70 00	A4	B4	C1-4	D1-3
---------------	----	----	------	------

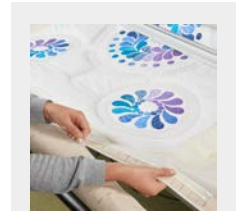

Zippered Leaders

The BERNINA Zippered Leaders have many advantages for the quilter, especially when working on several quilting projects at the same time. An unfinished quilt project can easily be exchanged with another via the zippers. The unfinished quilt project stays in shape and can be put on the frame again with just a few steps.

Set Contents

Three main leaders with a zipper for top, back and take-up rails
Two additional zipper halves for top, back and take-up rails

bernina.com/zippered-leaders

FOR THE SIT DOWN TABLE

For the Sit Down Table

Gripper Rings

The Gripper Rings allow increased control during quilting and precise guiding of larger quilt projects when quilting with the Q Series sit-down table models. The area to be quilted is kept completely flat and wrinkle-free. The "made for BERNINA by Martelli" Gripper Ring set contains an 8" and an 11" ring.

bernina.com/gripper-rings

▪	A5	B5	C5
---	----	----	----

▪ Available only in individual countries. Please contact your BERNINA dealer for further information.

Dust Cover

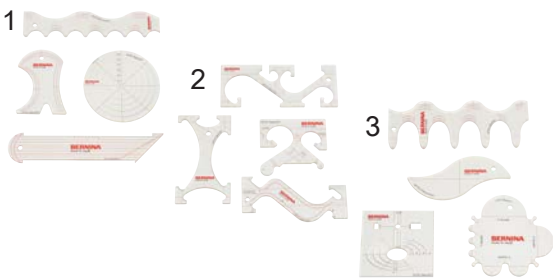

The dust cover is an ideal optional accessory for all customers who want to protect their machine from dust when not being used. The dust cover is easy to put in place with a separate cover for the vertical spool holder. The dust cover can be used for all table models with all sit-down tables.

bernina.com/Q-series-dust-cover
